

DON'T FORGET YOUR FREE AD!

We will be placing a special advertisement in the April 2010 issue of *The Carolina Cattle Connection* for all who exhibit at our 59th Annual North Carolina Cattlemen's Conference.

The ad space will be 2 1/4" W x 2" D and can consist of your logo, contact information, any products you handle, or whatever you would like. If you had an ad in last year's issue and would like to use the same information, please let us know. If not, please supply us with your new information.

We would like to have your ad copy or business card in our office by **March 2, 2010**. You can also email it to Kim Burdge at kim@nccattle.com or you can leave it with her at the conference.
